The appropriate programmatic and administrative personnel of each institution involved in this grant application are aware of the PHS-NIH consortium grant policies and are prepared to establish the necessary inter-institutional agreements consistent with those policies. In signing below, the Cooperating Institution certifies it has implemented and is enforcing a written policy of conflicts of interest consistent with the provisions of 42 CFR Part 50, Subpart F & 45 CFR Subtitle A, Part 94. If a conflict is identified by the Cooperating Institution during the period of the award contemplated under this agreement, the Cooperating Institution will report to the Prime Awardee the existence of the conflict, including the grant title, PI (if different from the investigator with the financial interest) and the specific method the Cooperating Institution adopts for addressing the conflict (managing, reducing, or eliminating it). The Cooperating Institution will rely on the Prime Awardee to report the existence of the conflict to NIH.

If the Prime Awarding Sponsor is NIH and the Cooperating Institution is a Foreign organization as defined by the NIH Grants Policy Statement: the Cooperating Institution agrees to abide by the requirements of the NIH Final Updated Policy Guidance for Subaward/Consortium Written Agreement (NOT-OD-23-182), and will provide access to copies of all lab notebooks, all data, and all documentation that supports the research outcomes as described in the progress report, to the PTE with a frequency of no less than once per year, in alignment with the timing requirements for Research Performance Progress Report submission. Such access may be entirely electronic.
