

# HMS/HSPH/HSDM (HMA) Grant-IACUC Protocol Validation Flowchart

• **Fellowships and training grants** that do not provide funds for animal research are excluded from this requirement.

• Fellowships and training grants may be marked as 'No' in GMAS. For JIT requests, please use mentor's IACUC approval.

Grants awarded to HMA, containing a written description of vertebrate animal work, must follow this flowchart to ensure adherence to the PHS requirement on grant congruence.

• Federal grants may be marked as 'Yes' in GMAS.

• Non-federal grants only funding animal work at external institutions may be marked as 'No' in GMAS.

• Non-federal grants funding on-campus animal work may be marked as 'Yes' in GMAS.
